DESIGNED FOR YOU

The United Trailers' motorcycle trailers are designed for people with an active lifestyle that includes a lot of high octane fun. They're designed to haul your off-road toys whether they have 2, 3 or 4 wheels. A variety of sizes are offered and customization allows us to install the type of attachment system that works best for you. United can install everything from Heavy Duty D-rings to the Removeable Wheel Chock to E-track for the ultimate in versatility when securing your prized possessions. And, when the day is done, the trailer fits easily in your garage for safety and security.

5-YEAR LIMITED WARRANTY

Every trailer that United Trailers builds is backed by our 5 Year Limited Warranty providing peace of mind you can rely on.

25 YEAR LIMITED WARRANTY ON PLYWOOD FLOOR

United is proud to announce a 25 year limited warranty against delamination on our 3/4" plywood floor. See your dealer for details!

NATM COMPLIANCE

United Trailers builds all trailers in compliance with the guidelines of the National Association of Trailer Manufacturers.

* Because motorcycle weights and lengths may vary, please check with your dealer.

Floor Options

Marble-look Vinyl

Classy and clean looking, this is an easy to maintain floor.

Black And White Vinyl

Sporty, durable and attractive, this is a favorite among motorsports buffs.

Aluminum Tread Plate

You can't beat this heavy-duty floor that handles the toughest punishment.

.080 Smooth Aluminum

Great for a clean looking, yet tough and durable floor.

Black Raised Coin

Rubber flooring that is great for use in rain or shine while providing safety.

Std. Torsion Spring

Raising and lowering the ramp door is easy with the powerful torsion-spring assist on all of our motorcycle trailers.
